POSITIVE PROFIT ALERT

This announcement is made by the board (the “**Board**”) of directors (the “**Directors**”) of TradeGo FinTech Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the information currently available to the Board and the unaudited consolidated management accounts of the Group, it is expected that the Group will record a profit after taxation for the nine months ended 31 December 2019 in the range of HK\$8 million to HK\$10 million, as compared to a net loss after taxation of approximately HK\$9.68 million for the nine months ended 31 December 2018 (adjusted net profit of approximately HK\$2.36 million after excluding the effect of the listing expenses). The Board believes that the increase in the adjusted net profit after excluding the effect of the listing expenses was mainly attributable to (i) the decrease in staff costs of approximately HK\$3.9 million resulting from the increase in capitalisation of new projects; and (ii) the increase in other income of approximately HK\$2.8 million, which included the subsidies received from the Nanshan District Government and the Shenzhen Municipal Government in the People’s Republic of China.

As the Company is still in the process of preparing the third quarterly results for the nine months ended 31 December 2019, the information contained in this announcement is only based on a preliminary assessment made by the Board with reference to the information currently available to the Board and the unaudited consolidated management accounts of the Group, which has neither been audited nor reviewed by the Company’s independent auditor and/or the audit committee of the Company and may be subject to change. Shareholders and potential investors are advised to read carefully the third quarterly results announcement for the nine months ended 31 December 2019, which is expected to be published in February 2020.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
